Foreword

MITOBO '63 represents our efforts to record our four years at Masconomet. The focus is primarily on the graduating class. However, everyone is important. All aspects of school life, activities, sports, and scholastic endeavors have been blended to portray the school.

We hope that in the future this book will be a source of fine memories and will provide enjoyment in retrospect.

We, the Class of 1963, present MITOBO.

DEDICATION

As a token of our gratitude, the Class of 1963 dedicates MITOBO to Mr. Richard Pavesi, who has never failed to be sincere, patient, and understanding.
The whole school joins in this dedication as Mr. Pavesi has worked untiringly for all of us.

IN MEMORIAM

In the spring of our junior year we, the class of 1963, were stunned by the tragic loss of our friend, William C. Mallison. Bill was an individual, and his death has left a gap in our class that cannot be filled.

Bixi has been with us for the past two years, not as a member of any class, but as a member of the school. She is a special student taking the business course and therefore this has enabled her to be of great assistance in the office. She is well-liked and respected by all who know her, and we are grateful for the opportunity we had in helping her to adjust to the American way of life.

but finally we graduated.

Helen gropes toward learning and knowledge with Annie's help.

The miracle occurs as Helen connects water with "wa-wa," the word she learned so long ago.

Annie teaches the undisciplined Helen some badly needed table manners.

Project Monterrey

This year a new club was formed: the International Affairs Club. The purpose was to promote knowledge and understanding between the students of Masconomet and the outside world. The first project taken up by this club was Project Monterrey. Project Monterrey is under the auspices of CARE and is an underdeveloped area in Honduras. There are eight poverty stricken towns in this area and the students of Masconomet are earning $500 for their advancement.

Seventy per cent of the people are illiterate; we are helping to build a school. Half of the people are afflicted with various diseases and so we are helping to build a health unit. Most of the people go hungry most of the time, and we are providing agricultural tools and seeds to help them help themselves.

The main money-making events were the weekly donut sales and the Shares in CARE dinner for twenty "Stockholders." Each event was successful in both earning money and promoting world-wide understanding on the parts of the M.R.H.S. people and those villagers in Honduras.

Contestants: David Bickford, Irene Colonas, Kendall Steimen, Peter Sentkowski, and David Freedman.

Oratorical Contest February 30, 1963

Mr. William Evans of the Topsfield Post, American Legion, and Mrs. Roberta Friedman awarded the trophies.

Kendall Steimen delivered the winning oration, "Our Responsibilities to the Constitution."

D.A.R. Award

Boosters presented a banquet in honor of Coach Roberts and his football team. Harry Arlanson, Coach of Football at Tufts, was the speaker.

The purpose of the Boosters is to promote and encourage good sportsmanship in all interscholastic competitive activities and to stimulate morale and maintain high ideals among the student body at Masconomet Regional High School.

Boosters aided the Student Council in arranging the night rally. They also provided bleachers for the spectators at the last few home games.
